Please find below the Prolume Ltd / NanoLight Technology Materials Transfer Use and Limited Recipient Label License Terms and Conditions. We ask that someone at your facility with the authority to do so sign date and then fax us a copy before mailing a signed copy to us in the enclosed envelope we also ask that you retain a signed second copy for your records. We know that your time is valuable and thank you for your help in doing this.

Sincerely

Rampyari Walia
Chief Scientist

Targeting Systems

Prolume Ltd / NanoLight Technology Materials Transfer Use and Limited Recipient Label License TERMS AND CONDITIONS:

This product is covered by US Patents # 6,232,107, 6,436,682, 6,780,974, World Patent WO1999/049019 entitled "LUCIFERASES, FLUORESCENT PROTEINS, NUCLEIC ACIDS ENCODING THE LUCIFERASES AND FLUORESCENT PROTEINS AND THE USE THEREOF IN DIAGNOSTICS" and other patents that are the legal property assigned to Prolume Ltd / NanoLight Technology.

By purchase of this product and upon opening of this package or by using the materials enclosed within; Recipient of this product hereby agrees to be legally bound and hereby accepts the following terms and conditions for the use of these materials:

Non-Commercial entities: This product is licensed only to the purchasing laboratory-research group. Recipient hereby agrees not to transfer this plasmid or derivatives of this product, vector, nucleotide sequence, or protein to any other laboratory, person or research group, even if within the same institution.

Recipient hereby agrees not to alter nor make any changes to the nucleotide coding sequence or secretory coding sequence of the products or materials contained within, or derived from, this package without prior written permission from Prolume Ltd/NanoLight Technology (www.nanolight.com).

Recipient agrees not to file for any patent rights or file claims to any inventions mentioning the name or use of, disclosing any information about, or disclosing information about any portion of the fluorescent proteins or luciferases enclosed within this product without prior written permission from Prolume Ltd/NanoLight Technology.

Commercial For-Profit Entities & Non Profit Foundations (herein known as Commercial Recipients): Commercial Recipients receiving this product, and wishing to make use of these materials, engage in the sale or license of any products containing or derived from these materials, discover drugs, or make inventions by use of the materials enclosed, hereby fully agree to be bound by all the Terms and Conditions mentioned above for Non-Commercial entities; AND ADDITIONALLY agree to and are hereby bound to use the materials **FOR EVALUATION PURPOSES ONLY**. Commercial Recipient agrees to destroy all materials containing any product or portion of a product derived from the materials contained within this product, and to cease all use of any materials or derivatives containing any portion of these materials within **180 days** from receipt. Commercial Recipient agrees only to use the enclosed materials for a limited suitability evaluation and not for any commercial purpose.

Any Recipient that does not accept the license terms and all the conditions mentioned above, shall return the unopened package and materials to Targeting Systems for a full refund.
